Forecast for Tuesday 28 Sep 2021

Weather: Rather cloudy with showery outbreaks of rain overnight. Scattered showers with some drier and brighter spells during the morning, but these showers merging into longer outbreaks of rain in the afternoon, heavy at times with a risk of the odd thunderstorm. The rain turning more showery again during the evening with some drier spells.

Chance of cloud free mountain/hill tops above 600m: 70% early and later in the day. 40% in the afternoon.

Visibility: Good or very good falling moderate or poor in rain and showers, very poor at times at height. Occasional or extensive cloud base around 900m, lowering to around 600m in the afternoon.
